

Award for Special Achievement in Alberta Publishing

This award is presented in recognition of long-standing contributions made to book publishing in Alberta. It honours an Alberta book publisher or individual who has shown outstanding merit in all areas of activity and who best exemplifies the spirit of the Alberta book publishing community.

Criteria

Nominations may come from anyone — publishers, authors, editors, etc... and need not be a member of the BPAA to nominate a person or be eligible to win this award.

Nominations must include a written proposal describing the contributions made by the nominee. Please provide as much detail as possible in the nomination. Supporting documentation should be included, as appropriate.

Entries will be judged on contributions made to Alberta book publishing: the overall quality of books published or work produced (if applicable), the longevity and impact of activity, and participation in the Alberta book publishing community.

n.b. This award is adjudicated by the current executive of the board of the Book Publishers Association of Alberta
