Re: September-October Alberta Reads Book Club Pick

Edmonton – The Book Publishers Association of Alberta (BPAA) is pleased to announce that the second Alberta Reads book club pick is *Watershed*, published by [Freehand Books](https://freehand-books.com/), and written by Doreen Vanderstoop.

Over the course of September and October, readers will have the chance to win a gift card to the indie bookstore of their choosing by participating in online book club discussions over [Facebook](https://www.facebook.com/), [Twitter](https://twitter.com/), or through the Alberta Reads webpage. Further book club events and programming will be announced in the weeks to come.

We encourage Albertans to purchase a copy of the chosen title from their local indie bookstore. Additionally, Alberta public library patrons can borrow book club titles as eBooks for free using [ReadAlbertaeBooks.ca](https://readalbertaebooks.ca).

Find book club questions, author and publisher information, and details on future Alberta Reads book club titles by visiting the [Alberta Reads Book Club webpage](https://www.albertareads.ca), and join the on-going conversation of *Watershed* by following #ABreads and #ABbooks on social media.
