

**BPAA COVID-19 Safety Protocols**  
**June 30, 2023**

The health and safety of BPAA Annual Conference, AGM and Awards Gala participants is a high priority for the BPAA. Though the Province of Alberta does not currently have any COVID-19-related restrictions in place, we ask for attendees' cooperation to help create a safer environment for all participants.

Prior to the event:

- If you are feeling unwell, are exhibiting symptoms of COVID-19, or have had close exposure to someone who has COVID-19, please do not attend.

At the event:

- Masks will be available for those who wish to wear them.
- If you are not fully vaccinated for COVID-19 (2 or more vaccinations), we ask that you wear a mask for the duration of the event.

We continue to monitor the public health situation in Alberta. Please review this page for information on COVID-19 safety measures that will be in place at the event. Any changes to programming or safety protocols will be communicated to registrants as soon as possible.
